

A close-up photograph of a Christmas tree branch. The branch is covered in green needles and is decorated with several ornaments. A large, matte purple spherical ornament is the central focus, featuring the text 'MERCURE HOTEL' in a light-colored, sans-serif font. To its left is a smaller, matte black spherical ornament with a white, stylized 'CB' monogram. Further left is another purple ornament with a white snowflake pattern. The background is filled with the branches of the tree and numerous warm white lights that are out of focus, creating a bokeh effect. A silver, glittery snowflake ornament hangs from the bottom of the large purple ornament.
